THE ORCHARD BARN / FICTIONAL VENUE

A few helpful details

Getting here

The guest car park opens at 14:15. Follow the signs to the courtyard and allow 10 minutes to walk to the ceremony. The separate venue sketch shows parking, the step-free route and the shuttle point.

Comfort & access

The main path is firm gravel and the barn is step-free. Accessible toilets are beside the barn. The orchard lawn can be uneven. Please tell your hosts beforehand if a shorter route or reserved seat would help.

Food & what to wear

Wear whatever makes you feel like celebrating. Bring a layer for the evening and shoes that work on grass. Send dietary requirements with your RSVP through the invitation channel; Flat does not collect replies.

If the weather changes

The ceremony moves into the barn if it rains. A host will meet guests in the courtyard and direct them. The schedule stays the same. Shuttle details and any private travel arrangements are sent directly to guests.
